

Empowerment Network and the Phoenix-based UnidosUS Counseling Connection. Additionally, the Program Specialist will be expected to collaborate with the Financial Empowerment Program Manager and the Director of Financial Empowerment to achieve the goal for the project, which are to ensure that:

- 70,000 people receive financial education.
- 115,000 people engage in activities that will propel them forward.
- 1,500 people speak with the UnidosUS Counseling Connection.
- 900 people will engage in ongoing financial coaching services.

Success in this role requires a can-do attitude, a fundamental respect for the work of our Affiliates and a desire to support them in strengthening the services they offer, a willingness to listen and build strong relationships with Affiliates, and a strong interest in collaborating with the rest of the Financial Empowerment team.

The Financial Empowerment Program Specialist will be directed on a day-to-day basis by the Financial Empowerment Program Manager. The Financial Empowerment Program Manager is responsible for the performance of the network overall, and as such will be involved in the details of the project's implementation. The Director of Financial Empowerment will work closely with the Program Specialist in areas related to the program's evaluation, external communications, administrative system management, and trends in Affiliate performance.

RESPONSIBILITIES

- Support a portfolio of Affiliates to successful performance in the FEN through capacity-building, training, and technical assistance.
 - These services will be provided through in-person meetings and site visits, regular phone calls, and facilitation of group convenings.
- Serve as a liaison between the UnidosUS Counseling Connection team members and the Affiliates in the FEN, helping to optimize the collaboration, troubleshoot problems that arise, and ensure successful adherence to the FEN's established processes, which could include modifying processes and creating new ones where needed.
- Conduct periodic review of services by the UnidosUS Counseling Connection team and meet with the Director of Housing Programs on a monthly basis to calibrate the quality of the services to the standards held.
- Train Affiliates, the UnidosUS Counseling Connection teams, and UnidosUS FEN team members on the FEN's data platform and client management system, called Change Machine.
- Analyze the data that Affiliates enter into Change Machine to produce regular reports for Affiliates identify strengths and weaknesses in performance and to develop and populate reports on the performance of the FEN overall.
- Conduct quality control work to ensure the effective use of Change Machine and the adherence to FEN processes among Affiliate partners and the UnidosUS Counseling Connection team.

- Engage in dialogue with Affiliates about their implementation of the FEN; synthesize and communicate their experiences with the rest of the FEN team to ensure ongoing improvements to the FEN model.
- Develop and deliver trainings on a regular basis, including to new Affiliates joining the program, and to Affiliates and other organizations on financial empowerment subjects of increasing specificity over time.
- Identify new trends and developing issues of concern in the field of financial empowerment among clients of our Affiliates and elevate them for analysis and response by UnidosUS.
- Play an essential role in the long-term sustainability and scalability of the FEN by standardizing the practices and systems of the FEN and ensuring that Affiliates are achieving the quality standards that UnidosUS expects.

REQUIREMENTS:

- Bachelor's degree from an accredited college or university preferred.
- Minimum of three to five years of experience required in the field of financial empowerment, housing services, asset building services, or a related field.
- Experience in direct service provision required, experience as a financial coach, is ideal.
- Experience as a trainer is a plus, particularly through web-based and remote forums.
- Experience using data to assess a program's performance preferred.
- Excellent communication skills, both oral and written.
- Familiarity with the U.S. Hispanic community, Hispanic nonprofit organizations, and the Hispanic market and consumer a plus.
- Commitment to excellence and high standards.
- Ability to work independently and as a member of various teams and committees.
- Acute attention to detail.
- Be willing to travel on a variable schedule, on occasion reaching as high as 50% of work schedule.
- Bilingual (Spanish-English) skills a plus.

Please include "Financial Empowerment Program Specialist" in the subject line of your email.
