Defining Anti-Racism

Racism
An unfair system that either hurts or helps people based on the color of their skin.

Anti-Racism
Defining Anti-Racism

**Racism**
An unfair system that either hurts or helps people based on the color of their skin.

**Anti-Racism**
Working to dismantle white supremacy and doing everything in one’s power to create equity within the spaces you inhabit.
What might anti-racism look like at school?

Draw a representation of one BLM at School demand.
What would it look like if that happened?
What connections can you see in your own school?
